From The Deputy Commissioner

To. The General Secretary to
the Govt of Mysore

Sir,

With reference to Govern-
-ment Proceedings No 20583-7 / 27245-92 dated
16th May 1895, sanctioning the form-
-ation of a municipality at
Sakrepatna and directing that
a Budget be submitted for the
estimates of the municipality
for 1894-95, I have the honor to
inform you that on 11th instant
I convened a meeting of the
principal villagers of Sakrepatna
at that place when certain

members

Members were selected, and approved of as follows:—

1 Mr G. Srinivasa Rao
2 " K. Ramanna
3 " Malleshiah Patel
4 " Ramaswamy Iyengar—
5 " Revanna
6 " Golappa
7 " Ranganna
8 " Boranaik.

They were then informed of their duties as such members and on the 21st instant, another meeting was held to pass the list of Mohatarfa taxes and frame a budget for the ensuing year.

I now beg to enclose the proceedings of these two meetings

It will be observed from the Budget estimates now submitted

that the estimated receipts for the year 1895-96 are totally inadequate for the expenditure of any sums of money for the primary improvements of the town, i e clearance of bushes and rubbish and draining the fort ditch and without which I am afraid little improvement in the health of the town can be expected.

I would therefore strongly urge that Government be moved to grant this loan of Rs 1.000.

It is necessary to employ Servants from 1st July 1895, but at present there are no funds

to meet this, I therefore beg to suggest that an advance of Rs 350 be made to meet these re-quirements and which may hereafter be recouped.

I have the honor to be

Sir,

In continuation of my letter No 359 dated 30th June 1895 regarding the Municipality at Sakkepatna, I now have the honor to enclose a report submitted by the General Assistant Commissioner by which it will be seen that an establishment has been entertained from July 1st pending Government sanction and to recommend that the same be allowed and to request that you will move Government to pass orders regarding the same at a very early date as the Municipal members appear to be very zealous in their work and although their procedure is contrary to all rules still I am afraid that if the establishment is disallowed they will be discouraged in their work and lose heart in it.

If the Dy Coms' submitted before 30 June 1895 the Budget statements for 1894-95 as directed, the whole of the Mohatarfa revenue collected during that year would have been credited to the municipality, though the expenditure during the period would have been inconsiderable.
